Attn: Certificate of Correction Branch

Dear Sir:

In response to the dismissed Request for Certificate of Correction dated June 22, 2006, Applicant respectfully requests reconsideration that a Certificate of Correction be issued correcting printing errors appearing in the above-identified United States patent. Applicant's June 21, 2006 submission provided in an incorrect column number. The revised Certificate of Correction (Form PTO/SB/44) in the suggested format is enclosed.

The original errors cited were due to the Applicant's typographical mistake. As the Certificate of Correction fee of \$100.00 in accordance with 37 CFR § 1.20(a) has been charged to the Applicant's Deposit Account No. 13-2546, no further fee is believed to be required.

Please send the Certificate to:

Anna M. Nelson
MEDTRONIC, INC.
710 Medtronic Parkway NE, MS LC340
Minneapolis, Minnesota 55432-5604

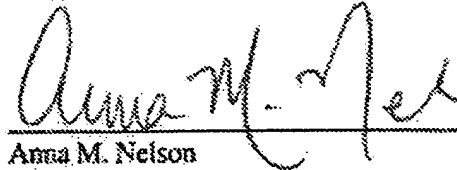

Issuance of the Certificate of Correction would neither expand nor contract the scope of the claims, and re-examination is not required.

The name of the assignee is Medtronic, Inc. The assignment was recorded on November 15, 2001 at Reel 11307, Frame 0794.

Respectfully submitted,

Date:

July 5, 2006
